Anti-Bride Etiquette Guide

The Rules—And How to Bend Them

By Carolyn Gerin and Kathleen Hughes

Following the best-selling *Anti-Bride Guide* and *Anti-Bride Planner* down the aisle comes the essential, smart, and sassy etiquette guide for the not-so-traditional bride. This feisty and straightforward advice book fills a huge gap in the wedding etiquette market. A riot to read and packed with bold illustrations, it walks the bride through everything from invitations and seating arrangements to money matters and family feuds.

Whether fielding classic conundrums—how to pare down a guest list, who pays for what—or decidedly modern situations—the Maid of Honor is a man, the bride has three fathers—*Anti-Bride Guide* offers sensitive advice for skillfully navigating sticky situations. Inventive solutions for dodging outmoded traditions ensures that brides will keep everyone from grooms to grandmothers happy. For the bride who doesn't want to sacrifice the wedding of her dreams or her loved ones' feelings, *Anti-Bride Etiquette Guide* has the answers.
